VISIOSUN CLASSIC

EXCLUSIVE PATTERN IN A SIMPLE FORM

TEMPERAMENT OF PURE GEOMETRY AND A SIMPLE STYLE

VISIOSUN CLASSIC decorative glass, elegant in its simplicity, perfectly renders colours, while its expressive pattern adds character to it. At the same time, its timeless character guarantees limitless application possibilities, particularly in interiors that require a spectacular play of light. The effect of light refraction and dispersion on the delicate structure of the pattern introduces dynamism and energy to building interiors.

The simplicity of lines of the texture of VISIOSUN CLASSIC results in a minimalist form, which is in line with the current trends. The glass guarantees excellent colour rendition, whereas the sharpness of the pattern makes it perfectly visible from afar!

EYE-CATCHING DESIGN

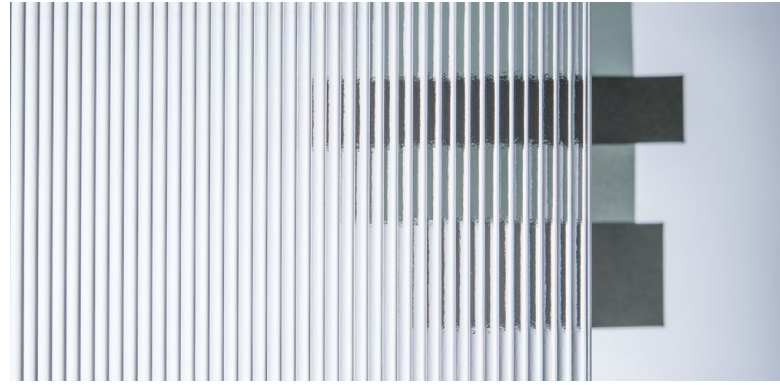

The geometrical pattern of VISIOSUN CLASSIC corresponds to the latest trends in design. The simple aesthetics of the glass fit small residential interiors, as well as large office spaces, illuminating them in a spectacular way, making them seem bigger, and giving them interesting multidimensionality.

VIOSUN CLASSIC - A NEW VISION OF GLASS

The subtle texture of the glass constitutes an attractive decorative element for:

- partition walls,
- glazed doors and door elements,
- elements of shelves and other furniture units,
- balustrades,
- shower enclosures
- wall cladding.

DIFFERENT PROCESSING POSSIBILITIES

VIOSUN CLASSIC can be tempered and laminated, guaranteeing the top-level safety.

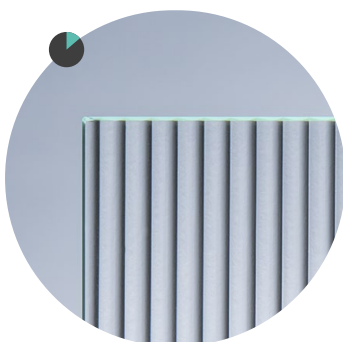

VIOSUN CLASSIC decorative glass constitutes an apt answer to the needs of designers and architects. Many possible applications of this glass make it willingly used in classical as well as avant-garde arrangements.
